Description

Set to the rear of Ellerthwaite Road, on a small established industrial park. This is an extremely rare opportunity to purchase or let a warehouse/industrial unit in Windermere. The property offers roller shutter access, which leads through to open plan warehouse space. Adjacent to the warehouse is a small office, currently used by the owner. To the rear of this office, stairs lead up to further space, currently configured with a couple of small workshop/studio spaces and one large open plan space. The property offers any purchaser or a new tenant the option to refigure to suit their requirements as the property could be fully opened up internally offering one large space.

Location

Located in the heart of Windermere, the property forms part of an established industrial estate with other occupiers to include Mountain Goat Tours, Windermere Ice Cream and Bespoke Aroma. Back Ellerthwaite Road is located approximately 1/2 mile from the centre of the village of Windermere, one of the prime honey-pot tourist destinations in The Lake District National Park. Windermere benefits from good transport links with the M6 motorway being within 15 miles via J36.
