LOCATION

Carnbo is a tranquil rural hamlet offering a peaceful countryside setting. Situated approximately 6 miles west of Kinross it provides easy access to the M90 motorway, facilitating convenient commutes to Edinburgh, Perth, and beyond. The surrounding area boasts scenic landscapes, ideal for outdoor walking and cycling.

The site falls within the catchment area of Fossoway Primary School located about 1.6 miles away and Kinross High School approximately 3.8 miles. Additional amenities such as shops, restaurants, and healthcare facilities are readily available in nearby Kinross and Milnathort.

DESCRIPTION

The site extends in all to approximately 1.54 acres and enjoys a southerly aspect in a most attractive setting surrounded by open countryside in an established residential hamlet. The site sits at approximately 162m above sea level and is not affected by flood risk on the current and future SEPA maps.

Full planning consent, with conditions, has been granted under reference 23/01313/FLL for the erection of seven residential units and the formation of a new vehicular access, landscaping, and associated infrastructure. The development has been thoughtfully designed to include a mix of house types, creating a well-balanced residential development, sympathetic to its surroundings and optimising the delightful countryside views.

The first two plots to the left of the new entrance road will be cottage-style properties similar to properties sitting opposite. The remaining five plots to the south are designed to accommodate significant and spacious four-bedroom family homes, each with integrated or detached garages, quality rural housing such as this is in high demand.

Purchasers will be responsible for service connections and satisfying all planning conditions including payment of the s75 contribution agreed at 1.75 units. Full details of the planning permission, conditions and Section 75 are available as a data pack through the selling agents.
